

## Monday 4 - Beginner Ride 1 at 8:00am on Sun 12

We're officially close to get our 2018 season ready to roll...

We are currently in the pre-season and the holidays have just past. Most of you are still getting started and your bikes may be a few days away from the shop and we are happy to get some of you in on the road. We have had some bikes planned just for you, sign-ups and our member rates.

Tobias will not focus on the beginner ride coming on the 12th since I have noticed the other street members on the beginner ride can't get a lot of miles on average. There are some experienced members that make through with a couple miles on the beginner ride to the streets but I'm hoping to make sure everyone starts on the 12th.

Note - I will be wearing a Red bike suit today covering the shorts about the day such as having a bike getting a new chainring or new chain rollers. Sorry, but I don't have the time to do it so they are clean but the bike has miles on it even so. I will help you be ready to hit the road, and on wheels.

Tobias' Notes are:

- Beginner Ride 1, 8:00am, 14 miles
- Beginner Ride 2, 8:30am, 14 miles
- Beginner Ride 3, 9:00am, 14 miles
- Track, Free - Sun & Mon Events
- 1 Day - No 2 week membership for the Month
- Beginner - 1 riding license fee
- Spinning Studio

### Beginner Ride 1, 8:00am, 14 miles, Sat, Sun 12, 8:00am

The weekly our beginners will meet at Spinn Products Corp. for a 14 mile beginner orientation ride.

The ride is aimed at beginners, riders who need more road miles to be self-sufficient on the road and in a group. There is no special fee, however, riders who need a license must pay for their license fee. There are other riders who are interested in the ride and "beginner" is the name of the ride and there are more miles on the bike and it is available and open to both members, non-members on the 12th, 13th.

#### Directions to the Meet

The ride will start at 8:00 am at Spinn, 277 Spinn Rd, Katy, TX 77444. If you prefer 28855 Katy, then use 28792 Katy, 481 Katy St.

To get to the meet:

- Take I-10 west from Houston or take an east from Houston or north west of the Katy to west. The about 7 miles west of the town of Katy on I-10 take exit 245 and take left.
- Turn right on Katy, turn on 287 Spinn Road on the left side.
- Spinn is located on the left just a few hundred yards west of I-10.

There will be a sign in area under the building. Upon arrival, riders are requested to come and sign in at the registration area in the sign-in tables. There, participants get their bikes ready to ride. We will have an area just for rider check-in, riders can get their bikes ready to ride. We will have an area for the sign-in table in the sign-in area. There are sign-in tables on the front of the sign-in table in the sign-in area where the sign-in table is.

There will be sign-in area under the building.

#### Remember - This is Beginner Ride #1

The ride is intended for beginners and novice riders. Most members will sign up with a 14 mile ride and will sign up with the ride. There are some experienced riders who are interested in the ride and "beginner" is the name of the ride and there are more miles on the bike and it is available and open to both members, non-members on the 12th, 13th.
